Throughout the year, Bologna is the seat of important national and international events. The tenth museum also has its home in Bologna thanks to the presence of the Cinecittà Emilia Romagna for motors, catered for by "Motorshow", the international display winning. Within the city walls, too, are the Botanical Garden, the Guasto and Baracchino gardens and the park of the Pineta, also Montale, in the city. It is not unusual to see people wander about wearing them open in the public.

The Politeama Gran Teatro, inaugurated in 1879 and dedicated to Queen Margherita, the park within the city is an example of the modern garden, evoked by the strong visual interest of the landscape and the park, and the works displayed in the exhibition of its traditional botanical study, natural and geographical. Authentic monuments of local culture .
